Dear AODA Members,

As we come to the end of the fiscal year, we look both forwards and backwards: backwards to all that we have achieved (including reaching over 1000 members and supporters!!) and forwards to another great year of international exchanges.

What have you achieved in your country or state this year? What are your dreams and goals? You are always encouraged to share any interesting news and projects with the rest of the members! Just send any information our way, and we will try to include it in an upcoming News or AODA Passport.
