Dear Members and Supporters,

An easy way to support the Academy of Nutrition and Dietetics Foundation is to shop through [AmazonSmile](#). Select "Academy of Nutrition and Dietetics Foundation" as your charity and Amazon will donate a portion (0.5%) of the purchase price to the Foundation. This is at no additional cost for you and you will enjoy the same prices as on [Amazon.com](#). Read more about how this works [here](#).

Information about the Foundation and what they fund can be found [here](#).

We thank you for supporting the Academy of Nutrition and Dietetics Foundation!

Sincerely,

[Events](#)[New Members and Supporters](#)

Your Newsletter Editor

Emmy Steiner

## Global Food and Nutrition Hub and June 1 Webinar

A [food and nutrition resource hub](#) is now available to support health professionals' humanitarian assistance efforts in developing areas of Central America. Funded through the Foundation, this open-access collection includes background information on key issues, educational illustrations and nutrient comparison charts unique to the local food supply.

A June 1 [webinar](#) titled "Expanding Our Impact: International Nutrition Resources and Global Outreach" will tour the hub and educate members about programs and opportunities in this area. The webinar offers 1 CPEU.

---

## AODA Educational Stipend Available - Apply Before July 15!

Don't forget AODA offers an educational stipend up to \$500 to help cover the financial costs of attending a meeting. The application for the next round opens June 1 and runs through July 15.

[Click here to apply](#)

---

## May is Research Month

The Academy of Nutrition and Dietetics has launched

Research Month to take place every May. The initiative and its annual theme, *Research Matters!*, will highlight the relevance and importance of scientific research in dietetics, while promoting valuable resources the Academy provides to encourage and support the research process by all registered dietitian nutritionists. [Read more.](#)

## Easier Member Access for Journal App

Accessing the Journal of the Academy of Nutrition and Dietetics' iOS and Android apps just got

easier. Academy members can access the Journal app using their Academy website credentials in just two easy steps:

1. Download the free app from the Apple App Store or Google Play Store—search for “JAND”.
2. Log in to the app using the same credentials you use to log in to [www.eatright.org](http://www.eatright.org).

The Journal app also provides a variety of digital options, like alerts for new issues, accessibility support for the visually impaired, and the ability to share articles via e-mail or social networking. For more information, see our mobile access instructions or [send an email](#).

---

## Membership Highlight: Refer and Win

You could win free membership with the Academy for participating in the 2017 Refer a Colleague Program. Share the value of membership with your friends and colleagues and

encourage them to join in celebration of the Academy's 100 year anniversary. You can benefit their careers while helping the Academy grow at the same time! The more new members you refer between July 1 and September 1, 2017, the better your chances of winning free Academy memberships for you and your referral. To get credit, make sure your colleague enters your name in the "Who referred you to join today?" section of the 2017-2018 Academy Membership Application and both of you will be eligible to win free Academy membership for the 2018-2019 year. [Email](#) with questions.

## **Foods 2017 Travel Awards**

[Foods](#) is an online and cross-disciplinary scholarly and scientific open access journal on the science of all aspects of food research and they are currently accepting applications for The Foods 2017 Travel Awards for junior investigators and PhD students. These awards will help support travel for the chosen junior investigator and PhD student to present their data, in poster or oral presentations, at a scientific conference to be held between November 2017 and October 2018. More information and how to apply can be found [here](#).

---

## **Spoon Guru Expert Panel**

Are you a research scientist specializing in nutrition? Do you have a passion to help change the way people eat and take care of their health? Do you want your research to be used by the biggest influencers of food and health across Europe and in the United States?

Spoon Guru is in search of a [panel of expert nutrition scientists](#) to help with the exciting plans and partnerships in

2017 and 2018.

## Open Country Representative Positions

We are currently seeking volunteers to act as a country representative (CR) in **Canada, Australia, and New Zealand**.

As a CR, you would:

- Represent AODA within the country by establishing relationships with nutrition associations and dietetic professionals.
- Integrate AODA members for nutrition issues within the country.
- Serve as an expert resource for AODA/Academy of Nutrition and Dietetics and interested parties for all nutrition issues with the country.

For more information, please contact [Lisa Dorfman](#), AODA Country Representative Chair
