Country Representative Corner

Lisa Dorfman, MS, RD, CSSD, LMHC, FAND
Country Representatives Chairperson

gratitude to all the amazing men and women I deeply respect and have grown to know personally over the past 2 years.

I have had the joy and pleasure of building a team and getting to know 36 talented, brilliant, ambitious and caring CRs from Asia, Middle East, Europe, Australia, New Zealand, North, South and Central Americas and the Caribbean. I will miss serving in this role but cherish getting to know each and every CR.

I leave the position feeling satisfied knowing I did my best to highlight the accomplishments of all the CRs by interviewing more than a dozen who were featured at our website and shared in our social media. I also created a Media Directory which is available at our website featuring the contact information, media outlets, books, publications and websites for our very successful group. I look forward to working with our CRs and their fellow country members in my new role as Director of our IAAND pilot Media Spokesperson program, details in forthcoming eNews columns. I also look forward to publishing the last two interviews of my term with our CRs from Canada, Mireille Najm and Lebanon, Rafika Ghrawi. To access these, stay connected to our Facebook page and website.

I am passing the torch to our new CR Chairperson, Melinda Boyd who will be continuing to build her team and program over her two year term.

Happy Summer everyone! Have fun at the Asia Congress of Dietetics in July where our Hong Kong CR Charmain Tan has worked very hard to be a liaison to IAAND and provide a cultural tour for our members.

Hope to see you at FNCE in Washington DC.

Lisa
